

1 BLACK. 1

FOOTSTEPS draw nearer.

2 EXT. CITY STREET - DAY 2

JESSE, (20's), plops his face on the CAR's windshield.

JESSE

Robby look! The keys are still
inside!

ROBBY, (20's), runs up and looks.

ROBBY

Who leaves their keys on the dash?

Robby looks around the area.

Jesse pulls a COAT HANGER from the inside of his JACKET.

ROBBY (CONT'D)

Jesse, where'd you get a hanger?

Jesse bends the coat hanger into a tool.

JESSE

Come on, baby.

Robby sees the door lock, nudges Jesse and opens the door.

JESSE (CONT'D)

Totally took the fun out of it.

Jesse drops the hanger, jumps inside the car, sits in the driver's seat, picks up the keys on the dash and starts the engine.

JESSE (CONT'D)

It's our lucky day!

Robby looks at the car with his arms crossed.

ROBBY

Yeah, maybe a little too lucky.

JESSE

Ah, come on dude. You're just being
paranoid. Pop a squat!

(Hits the passenger seat)

How can you deny a beauty like
this?

ROBBY
 (Walks around the car)
 All right, all right. The sooner we
 get out of here the -

3 INT. CAR - DAY

3

Jesse opens every lid he can find and sees a pair of
 SUNGLASSES in the GLOVE COMPARTMENT.

JESSE
 This guy left everything!
 (Puts sunglasses on)
 Time for a montage.

Jesse adjusts the REAR-VIEW MIRROR and sees Robby.

JESSE (CONT'D)
 Lets go dude, lets bounce!
 (Bounces like a toddler)

4 EXT. CITY STREET - REAR OF CAR - DAY

4

Robby notes a FLAT TIRE on the rear driver's side.

ROBBY
 (Hits the trunk)
 We got a flat!

5 INT. CAR - DAY

5

Jesse sings a made-up action adventure song while plays air-
 drums all over the car's interior.

6 EXT. CITY STREET - REAR OF CAR - DAY

6

Robby hits the trunk again.

ROBBY
 Hey, you hear me!?

Robby sees Jesse dancing in the car.

ROBBY (CONT'D)
 (Lifts the TRUNK LID)
 No, don't get up. I'll just change
 the tire of your stolen car while
 you act like a -
 (Sees something)
 Fuck!

Robby closes the lid and jolts back.

The car bounces up and down as a result of Jesse dancing.

Robby shakes his head, pops the lid just a crack and peeks inside.

ROBBY (CONT'D)

Hey dude...

Beat. Robby opens the lid a bit more and sniffs.

7 INT. CAR - DAY

7

Jesse hits a high note and notices Robby gagging in the mirror. He exits the car.

8 EXT. CITY STREET - REAR OF CAR - DAY

8

JESSE

Dude, what's up?

Robby, gags and points at the trunk.

Jesse looks inside.

JESSE (CONT'D)

(Gags)

Must be some bad milk, right?

ROBBY

Yeah, the dude forgot to take the groceries out of the trunk before he died in it!

Jesse gets a closer look.

JESSE

What do we do?

ROBBY

Walk away and never look back.

JESSE

(Looks at the car and back at Robby)

I touched it though. Like all over.

ROBBY

And?

JESSE

My prints are all over this thing!
We can't just leave it here now.

ROBBY

You've seen way too many movies.

JESSE

Let's burn it.

ROBBY

With what? And don't tell me you
have a bottle of gasoline and
lighter in there too.
(Gesture at jacket)

JESSE

No, but the gas station's right
down the -

ROBBY

Forget the fire! They wipe it down
in the movies, right? So, lets just
do that.

JESSE

Okay.
(Looks around)
With what though?

ROBBY

I don't know. Your shirt.

JESSE

What?

ROBBY

Use your it to clean the car. Your
prints, your shirt!

JESSE

But this is my favorite one.

JOGGER (O.S.)

Is it dead?

Across the street, a JOGGER jogs in place looking at them.

Jesse and Robby freeze.

JESSE (WHISPERS TO ROBBY)

Do we acknowledge his existence?

ROBBY
 (Frowns at Jesse)
 Shut up!

JOGGER
 Is the car dead? I'm about to make
 the circle. My car's right around
 the corner.

Robby stands there in fear.

Jesse goes to the trunk and pulls out JUMPER CABLES.

JESSE
 (To the Jogger)
 No thanks, we're good!

Jogger continues on his way.

ROBBY
 (Noticing the jogger gone)
 Where did you get those?
 (Gestures to cables)

JESSE
 They were tied around the dude's
 feet.

Robby leans over and gets sick.

Jesse pats Robby on the back.

JESSE (CONT'D)
 I have stuff we can clean it with,
 but it's all at my mom's house.

ROBBY
 That's across town and I'm not
 leaving this here. Get the spare.

Jesse goes back to the trunk.

CUT TO:

9 INT. BACK SEAT - DAY

9

On one side of the car, Jesse pulls the DEAD MAN'S LEG and on
 the other side Robby pushes the body in to the back seat.

JESSE
 Why are we putting it in the car
 again?
